The perfect installation

Smart Fix offers the ultimate flexibility and ease of installation.

Modern, versatile design: Silent Gliss systems can now be fitted with Smart Fix, a uniform bracket range for use across all our systems. This new design includes magnetic metal covers which are easy to fit and elegantly hide the screws.

SMART FIX

A total of 10 different Smart Fix brackets offer versatile installation possibilities including fixed length and adjustable options (3 brackets with slot).

Sophisticated fitting – high-end design

SQUARE SMART FIX

Contemporary designed brackets with a lower down-stand, ideal if fitting space is limited. A total of 9 brackets including fixed length and adjustable options (3 brackets with slot).

UNIVERSAL SMART FIX

A bracket console with 3 different extension arms for ultimate flexibility and adjustability.
